

Dear business partner and body builder,

The time has come.

We are very pleased to inform you that you will be able to view and test parts of the announced NEW “**ABBI Next**” body builder portal from 15th July 2022.

You can access the new portal on the ABBI website you are familiar with (www.abbi.man.eu) either using a link on the homepage after logging in or in the grey command bar under “Links *New: **ABBI Next***”.

Please let us know your thoughts on the new ABBI, your ideas, your praise and complaints!

Did you get to grips with it? Is it clear? Is the wealth of information that ABBI Next offers presented in a clear and self-explanatory way?

Please write to us at: abbi@man.eu. Please use the subject “ABBI Next:”

If you receive an error message, our IT department will ask you to take the following steps:

- Please tell us which browser (e.g. Firefox, MS Edge)
you tested with.
- When did you test (date and time)?
- Please give us your access name for ABBI.
- If possible, please attach a screenshot of your message.

This test version does not yet contain the entire new ABBI; it only shows parts of it.

We look forward to receiving your feedback. Thank you in advance!

Yours sincerely,

Your ABBI team

Henning Pauli and Alexander Lenzser
